

Omeje Sixtus Nnanna

Dear Sir/ma,

Thank you for the opportunity to apply for the Graduate Intern role at your company. After reviewing your job description, it is clear that you're looking for a candidate that is extremely familiar with the responsibilities associated with the role, and can perform them confidently. Given these requirements, I am certain that I have the necessary skills to successfully do the job adeptly and perform above expectations.

I am a result-oriented recent university graduate (3.92 GPA, Bachelor of Engineering) Alex Ekwueme Federal University Ndufu Alike Abakaliki Ebonyi State. During the course of my academic career I also managed to accrue nearly 1 year of work experience. I had the privilege of working for Scientific Development Equipment Institute in an intern role, where I learned professional skills such as computer aided Engineering and research and development. In both academic and professional life, I have been consistently praised as a result-oriented by lecturers and peers. Whether working on academic, extracurricular, or professional projects, I have applied proven teamwork, problem solving and multitasking skills, which I hope to leverage into the Graduate Intern role at your company.

I am available to start as soon as possible and work any shift during the week, additionally I am willing and available to relocate and travel for the course of this program.

After reviewing my resume, I hope you will agree that I am the type of competent candidate you're looking for. I look forward to elaborating on how my specific skills and abilities will benefit your organization.

Thank you for your consideration, I look forward to hearing from you.

Sincerely

Omeje Sixtus Nnanna
